

Flat Track Tire FAQ:

Q: What Tires and Compounds are Eligible?

A: Only DUNLOP DT3 tires are legal

Front DUNLOP DT3 130/80-19

Rear DUNLOP DT3 140/80-19

Eligible Compound are as follows:

AFT Twins:

Front Tire: All Tracks- compound F5

Rear Tire: Short Track, TT, and Half-Mile- compound R5 or R8

Rear Tire: Mile- compound R8 or R10

AFT Singles

Front Tire: All Tracks- compound F5

Rear Tire: Short Track, TT, and Half-Mile- compound R5

Rear Tire: Mile- compound R8

Exceptions: For Sacramento and Oklahoma City Miles, AFT Twins will be using R10 exclusively. AMA Pro Racing reserves the right to mandate one compound choice at any specific event.

Q: How much are these tires?

A: Prices are the same trackside (plus sales tax) or Online (plus shipping)

Front 130/80-19 \$162

Rear 140/80-19 \$178

NOTE: For the 2018 season, at events where Twins competitors have an option for rear tires compounds, a special discount will be extended on trackside sales at that event subject to certain rules and regulations, see attached "Rear Tire Discount Program Notice"

Q: Where do I buy tires?

A: Race Tire Service is the supplier and there are 3 ways to purchase:

- 1) Trackside at and AMA Pro American Flat Track event. See our service truck under the 10x10 Dunlop Tent.
- 2) Via our website www.dunlopracing.com
- 3) Call us directly 800-772-TIRE (8473)

Q: Can I exchange tires or compounds?

A: No. Since this is a spec tire, once it leaves our custody it's your tire.
